765-564-4480 or swcdcc@ffni.com by 2/5/15

\$\$Cost Share Available\$\$

Looking for assistance with agricultural conservation practices? In 2015, \$150,000 in IDEM 319 funds is available through the SWCD to farming operations in portions of Carroll, Cass, Howard, Miami, and Tippecanoe Counties through the Deer Creek-Sugar Creek Cost-Share Program. Apply for up to 75% cost-share on agricultural best management practices from January 1 through March 2, 2015. Applicants will be notified of funding decisions by March 31, 2015. Projects must be installed prior to January 2016 and must be located within the critical areas of the Deer Creek-Sugar Creek watershed.

Stop by the Carroll Co. SWCD Office to see if your property is eligible and to ask any other questions you may have. Learn more about the project at:
